

Apostles' Creed: First Article

God Made Me and All Creatures

I believe in God the Father Almighty, Maker of heaven and earth.

Last week, we said that, because God made everything, we should be thankful for all creation and treat it with care and respect. What does it mean when we say, "God made me?" Have you ever heard the phrase "God don't make junk?" It's true! Everything God makes is perfect. Now, we know we aren't perfect. But that's not God's fault. The flaws in our lives are because of sin. God made each of us the way He wants us to be.

Sometimes, we wish we were different. We'd like to be stronger, or faster, or better looking. The next time you have doubts about yourself or think you're not quite right, remember, God made you the way you are, and He loves you very much. Because God don't make junk.

Prayer:

Lord, thank You for making us the way You want us. When we aren't happy with the way we turned out, help us to remember that You don't make junk and You love us very much. Amen.
