

Catechesis Minute: The Third Commandment

Remember the Sabbath Day by keeping it holy.

What does this mean? *We should fear and love God so that we do not despise preaching and His Word, but hold it sacred and gladly hear and learn it.*

I have a very important question to ask you this morning. Do you like Sunday School? You see, before you got here, we didn't have a regular Sunday School. So, this is something new for us. And I want to know how we're doing.

Okay, another question: What do you like about Sunday School?

Now, for the most important question: What have you learned in Sunday School? You see, that's why we call it Sunday *School*. It's a time to learn. When I see my granddaughters off on the bus in the morning, I always tell them to have fun and **learn things**.

That's what the Third Commandment is all about, learning things, learning things about God. God knows us and He wants us to know Him better. To do that, we spend time in the Word, listening to the sermons, and listening to our teachers as they teach us about God.

Prayer:

Lord, we know You love us and know all about us. Helps us to want to learn more about You and get to know You better. In Jesus' name. Amen.
