Grace Sponsorship Program

The "Grace Resident Sponsorship Program" invites individuals, families, businesses and organizations to directly participate in our efforts to make a difference with the alcohol and drug abuse epidemic in our community. The Grace Resident Sponsorship Program is designed to help women that are in need get started with their new way of life by paying for their monthly fees until they receive Recovery Works financial assistance. Our goal at House of Grace is to assist each woman with their recovery program as well as with support in gaining steady employment. The minimum stay per resident is 9 months. Each resident cost per day is just under \$20 which includes housing, meals and transportation. We are blessed to be able to provide women with an opportunity to start over.
